

CORPORATE SPONSORSHIP OPPORTUNITIES

January 2025 through December 2025

Creating communities where every person is confident of a safe and affordable home.

Founded more than 30 years ago, CATCH Neighborhood Housing is a 501(c)3, community-based non-profit organization offering a full spectrum of housing and financial education services in Merrimack County.

CATCH meets the needs of the communities it serves by building new affordable and workforce housing units, and revitalizing existing housing, in an area where affordable rental options are limited. In doing so, we provide a safe place for hundreds of individuals, families, veterans, retirees and others to call home.

Since 1989, CATCH has prided itself on creating innovative housing solutions for low-to-moderate-income individuals and families. Through our Resident Empowerment Program, we build connections between our residents and available community services. We like to say that we provide a hand up, not a handout.

With the strength of our community behind us, we strive to make a difference every day in the lives of those we serve. We are grateful for all who have supported our work, whether through financial gifts, sponsorships, or simply sharing the good word about our work. In the ever-present collaborative spirit of CATCH, we are excited for the year ahead, and ask you to join us once again as a donor and sponsor in 2025.
